William died August 27, 1885 in Bedford County, Tennessee; his son, Robert C. Germany, wrote this obituary for his father:

Obituary of W.C. Germany (husband of Sarah Harris Germany) - Taken from the Find A Grave Memorial for Sarah Frances Harris Germany # 33206240

The Gospel Messenger, Volume 8, No. 1 - January 1886:

W. C. Germany.

My dear father, W. C. Germany, departed this life August 27th, 1885, aged seventy-seven years, eleven months and eleven days. Father has been married twice. The first to Miss Sarah F. Harris, by whom he had ten children, all dead but five; his second wife was Miss Mary A. Tucker, by whom he has one living child. He was born and raised in Georgia until he was first married, then moved to Chambers County, Ala. After the death of my dear mother he married again, as above stated, and after the war he moved to Bedford County, Tenn., where he lived until his death. He never joined the church, but I am satisfied that he is a member of the church triumphant. I have often heard him say that the church did not save any one eternally, that it took the grace of God to save, and when asked why he did not join the church, said he saw too many imperfections in himself, and that the Lord had been gracious to him, but was waiting for a brighter manifestation of God's love to him. He was a strong believer in the Primitive Baptists, always willing to help sustain the cause by giving to the churches, also to help build their houses of worship. He was strictly a moral man, never using any bad language, not even allowing his Negroes to use bad language before the war. Father was very kind and good to the poor, always would help them when in distress. He was a kind husband and affectionate father, always giving his children good advice; but that tongue is now silent in death. Dear sisters, let us try to take the advice that our dear father has so often given us. It was said when death came he passed off calm and serene, without a word. I did not get there in time to see him before he died, (although I was sent for) but saw him buried, near his residence, in Bedford County, Tenn. A large concourse of people followed to the grave; it was remarked at his grave that a good man had died. I can say to you, dear step-mother and sisters, let us not grieve for him, for I believe he is at rest. We hope to meet him in heaven.

R. C. Germany, LaFayette, Ala., Nov. 2, 1885.

Obituary of Mr. James A. Germany

James A. Germany is dead that was the news that greeted his many friends last Monday morning, many of them had seen him Sunday evening apparently in his usual health, and it was Cheerful and lived face in life again.

His death was a very sudden, as well as a very sad one and was caused by Congestion of the Lungs. It is unnecessary for us or any one else to say much in praise about Jim Germany, for his generous and unselfish life he had build a monument in the hearts of the people of Tallapoosa County, which will last while true mankind lives.

Mr. Germany was born in the homestead in the county, on the 8 th Day of April 1844, and resided in the county all of his life, and to know his will it was but necessary to go into the community where he spent so many years of his life and hear his people, all of them around him were "His" people, he had been a father to the orphans, the support and helper of the widowed and opened his heart and purse were ever opened and ready to help all who need help.

He was a honest man 'The noblest work of God', and if he had one fault it was almost a sublime confidence in his follow man and believe that all like himself was honest.

Hardley a year ago he was united in marriage with Miss Carrie Berry, and to her he had been a loving and kind husband and she to him a true and devoted wife. May God in his Tender Mercy help her to bear the bereavement which has so suddenly come into her young life.

The funeral services was conducted by Dr. J. P. Shaffer Monday evening at the family cemetery in Daviston in the presence of a large crowd of sorrowing friends and relatives.
